DECISION OF THE BOARD ON THE APPEAL OF

April 9, 2019
DATE

JPNDC Pitts LLC

to vary the terms of the Boston Zoning Code, under Statute 1956, Chapter 665, as amended, Section 8, at premises:

18 Thane Street, Ward 17

For the terms of the Boston Zoning Code (see Acts of 1956, c. 665) in the following respect: Extension of Non-Conforming Use

Article(s): 9(9-1)

Create 6 parking spaces, striping, wheel stops, curb cut (will submit curb cut application to PWD). Also see alt788316.

In his formal appeal, the Appellant states briefly in writing the grounds of and the reasons for his appeal from the refusal of the Building Commissioner, as set forth in papers on file numbered BOA882119 and made a part of this record.

In conformity with the law, the Board mailed reasonable notice of the public hearing to the petitioner and to the owners of all property deemed by the Board to be affected thereby, as they appeared on the then most recent local tax lists, which notice of public hearing was duly advertised in a daily newspaper published in the City of Boston, namely:

THE BOSTON HERALD on Tuesday, March 19, 2019

The Board took a view of the petitioner's land, examined its location, layout and other characteristics.

The Boston Redevelopment Authority was sent notice of the appeal by the Building Department and the legal required period of time was allotted to enable the BRA to render a recommendation to the Board, as prescribed in the Code.

After hearing all the facts and evidence presented at the public hearing held on Tuesday, April 9, 2019 in accordance with notice and advertisement aforementioned, the Board finds as follows:

The Appellant appeals to be relieved of complying with the aforementioned section of the Boston Zoning Code, all as per Application for Permit# U49843531 and June 14, 2018 plans submitted to the Board at its hearing and now on file in the Building Department.

This appeal seeks permission to create six parking spaces with a curb cut for access.

The appeal is necessary as the proposal requires relief from the terms of the Boston Zoning Code (Code). The specific relief required in furtherance of the proposed project is as follows:

Article 9, Section 1	Extension of Nonconforming Building: Accessory parking for a six unit building in a two-family zone
----------------------	--

The requested relief will allow the Appellant to create six off-street parking spaces with a curb cut for access to accommodate parking for the residential dwellings located at 22 Thane Street. This project is an appropriate use of the lot and will not adversely affect the community or create any detriment for abutting residents.

For these reasons, the requested relief may be granted in harmony with the general purpose and intent of the Code and will not be injurious to the neighborhood or otherwise detrimental to the public welfare.

After the Petitioner filed the appeal, the Board, in conformity with applicable law, mailed reasonable notice of the public hearing to the Petitioner and to the owners of all property deemed by the Board to be affected thereby, as they appeared in the then most recent local tax list, which notice of a public hearing was duly advertised in a daily newspaper published in the City of Boston in accordance with applicable law. The Board held a public hearing on the Appeal on April 9, 2019.

At the hearing, representatives from the Mayor's Office of Neighborhood Services and the office of City Councilor Campbell stood in support of the project. There was no opposition voiced at the hearing and there is none on file with the Board. The showing of approval from the community further supports the Board's finding that the requested relief will have no negative impact on the surrounding area and is in harmony with the general purpose and intent of the Code.

BOA-882119
Date of Hearing: April 9, 2019

The Board of Appeal makes the following findings:

- 1) The premises are being used lawfully for a use not conforming to the Boston Zoning Code, other than stone quarrying.
- 2) The use is being extended on the same lot.
- 3) The use as extended shall not exceed by more than twenty-five percent either in volume or area the existing non-conforming use.
- 4) The cost of extending the use will not exceed the amount allowed in Article 9, Section 9-1.

The Board also makes the following findings:

- a) The specific site is an appropriate location for extension of such use;
- b) The extension of the use will not adversely affect the neighborhood;
- c) There will be no serious hazard to vehicles or pedestrians from the extension of the use;
- d) No nuisance will be created by the extension of the use; and
- e) Adequate and appropriate facilities will be provided for the proper operation of the extension of the use.

The Board is of the opinion that all conditions required for the granting of an extension of a non-conforming use pursuant to Article 9, Section 9-1 and Article 6 Section 6-3 of the Zoning Code have been met and that the varying of the terms of the Zoning Code as outlined above will not conflict with the intent and spirit of the Zoning Code.
